Note: Total outlays include off-budget outlays; however, all grant outlays are from on-budget accounts. Grants that are both payments for individuals and capital investment are shown under capital investment.

Note: Prior to 1960, the GDP data and deflators for constant dollar data are approximations of the anticipated post-benchmark revision levels. Actual post-benchmark revision levels for fiscal years prior to 1960 have not yet been released. Constant-dollar estimates are based on chain-weighted (FY 1992=100) deflators.
